

SERVICE ADVISORY

FOR IMMEDIATE RELEASE:

February 16, 2021

5:05 a.m.

WeGo temporarily suspends bus service until 6 a.m. due to road conditions *Access, Star still operating with caution*

NASHVILLE – Due to weather overnight, local bus service within Davidson County on Tuesday, February 16, 2021 will be temporarily suspended until 6:00 a.m. while Operations Supervisors assess road conditions for bus maneuverability and customer safety.

Access services are still operating medical trips only as of the time of this release, but drivers are proceeding with caution and customers should expect delays.

The WeGo Star is still operating but at the time of this release, as is the 93 Star West End Shuttle. Customers should prepare for delays and allow for additional travel time due to weather and road conditions between downtown and Vanderbilt.

Safety is our number one priority, so please be aware that there may be additional delays as bus operators are proceeding cautiously. We ask that you allow for additional travel time so we can help get you where you need to go safely.

Customers should watch for media alerts on local television stations, follow WeGo Public Transit on social media (@WeGoTransit), and visit WeGoTransit.com's snow route schedule page for continuous updates. Customers can also check one of the mobile real-time information tools such as Google Transit or the Transit App, or call WeGo Customer Care at 615-862-5950 for detailed information and service updates.
