

QuickTicket is the fare payment system for WeGo Public Transit.

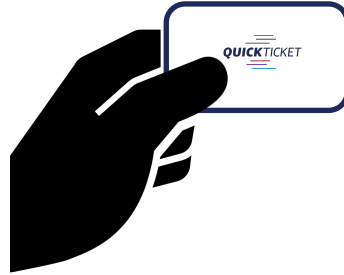

What is "Best Value?"

Load

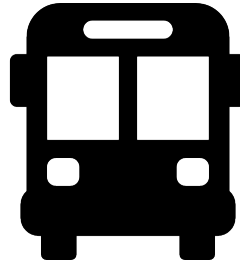

Add funds to your QuickTicket account (card or app). This is called "stored value."

Tap

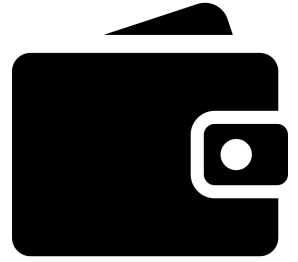

Simply tap your QuickTicket card or scan the mobile app at the onboard validator.

Ride

\$2 for two hours of unlimited rides - no transfer needed.

Save

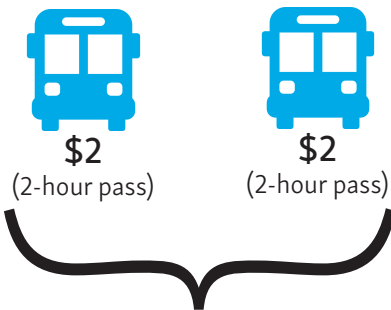

Never pay more than \$4/day or \$65/calendar month, no matter how much you ride.

With Best Value, you don't worry about which pass to buy - you always get the best deal for the rides you take.

How does Best Value work?

Never pay more than \$4/day

Daily limit of \$4 reached
The rest of the day's rides are free!

Never pay more than \$65/calendar month
Reach your free rides as early as day 17.
